## Finanzielle Stabilität

The WeCare-Association operates without external debt and maintains a solid equity base, ensuring stability and financial security for ongoing projects.

# Transparency and Responsibility

The WeCare-Association is committed to a transparent and responsible use of all financial resources.

Administrative costs are covered through private contributions from the founding couple. This ensures that external donations can be fully invested in project work.

In 2025, the founding couple supported the organisation with a private donation of **CHF 51,800.**

These funds cover, among other things:

- Organisation and administration
- Communication and Social Media
- Payment and bank fees
- Infrastructure costs

The founding couple not only covers the administrative costs of the organisation but also contributes additional personal funds to support project work.

## Thank You

We sincerely thank all donors and partners for their trust and support.

Together, we are enabling sustainable change and creating new opportunities for the communities in our project regions.
